

**PREPARED EXCLUSIVELY FOR WOLF WOLF**

Specifications are subject to change without notice. This information was generated on October 17, 2023 and reflects the published specifications for the included models at that time. For detailed installation specifications prior to finalizing your cabinetry/enclosures please download the Design Guides or contact Customer Care.

## ICBDF30450/S/P

## FEATURES

Wolf's patented gas dual-stacked, sealed burner design provides precise high-to-low temperature control and a spark ignition system that reignites the burner automatically

Wolf's Dual VertiFlow™ convection system provides reliably even heat, reduces hot and cold spots, and enables consistent multi-rack cooking

Four dual-stacked gas burners provide high-to-low temperature control, from fast boils and intense sears to true simmers and worry-free melts

Gourmet Mode features nearly 50 presets that automatically control the oven to ensure delicious results

Ten cooking modes, including Bake, Broil, Convection, Convection Roast, Dehydrate, Gourmet, Proof, Roast, Stone, and Warm, were developed by Wolf chefs to maximize the performance of your oven

For improved temperature control and safety, the spark ignition system reignites burners automatically

The full-color touchscreen is intuitive and easy to read, discreetly hiding away when not in use

LED backlit control knobs illuminate when in use, indicating which burners are active

The oven offers self-clean, delayed start, timed cook, and Sabbath features

The temperature probe alerts you when your dish has reached the desired temperature

Create a cohesive look in your kitchen with the range's stainless construction, pro-style handles, and choice of iconic red, black, brushed stainless, brushed brass, or brushed grey knobs
